

Notices for Interdisciplinary Major

1. (Credits and Courses)

- ① Interdisciplinary major courses which students have completed before the approval of the application shall be approved as Interdisciplinary major credits.
- ② Courses completed for interdisciplinary major cannot be approved as first major, minor, or dual degree. However, credits acquired in excess of 30 credits while pursuing an interdisciplinary major may be acknowledged as overlapping with courses from the first major.

※ **Inquiries regarding credits or courses please refer to the department office.**

2. (Requirements)

- ① Students perusing interdisciplinary major must complete both the required courses (Major Required and Major Elective) and minimum credits.
- ② Department responsible for the interdisciplinary major may include other courses than mentioned above.

3. (Withdrawal)

- ① Those who intend on withdrawing from the interdisciplinary major and graduate only with single major should submit a request for a withdrawal at least one month before the end of the semester (by January 31st or July 31st) and complete the graduation requirements of their single major.

※ **Students who wish to graduate in August must request withdrawal until July 31st, and until January 31st to graduate in next year February.**

- ② Students entering from 2004 onwards; Those who withdraw from interdisciplinary major should take another second major (or intensive major).

※ Upon conversion to the advanced track of the first major, the number of credits required for the first major will increase. Students must confirm with their department that they satisfy the graduation requirements for the advanced track.

4. (Graduation period)

Students pursuing an interdisciplinary major may graduate only upon satisfying the graduation requirements of both first and interdisciplinary major.

5. (Degree Conferral)

- ① Students who withdraw the interdisciplinary major should take an intensive course of the first major and will receive bachelor's degree of first major only.
- ② Students pursuing an interdisciplinary major who have met all graduation requirements for their first major and interdisciplinary major shall be awarded with the degree of each major simultaneously.

6. (Degree)

Students will receive one Bachelor's degree which includes both first major and interdisciplinary major.

7. (Certificate) Interdisciplinary major degree shall be transcribed on each certificate as follows;

- ① Academic Transcript: both the first major and the interdisciplinary major are indicated together.
- ② Certificate of Graduation(or Certificate of Student Status)
: both the first major and the interdisciplinary major are indicated together.
